

TD RECHTS-GEDEL

LIEBHERR

Yellow warning label with illegible text.

LIEBHERR

The central instrument cluster features a grid of 30 icons at the top, including symbols for engine, transmission, and various hydraulic functions. Below the icons are five vertical bar gauges on the left and five on the right, each with a yellow fill level. In the center, three digital displays show the following values:

- Top display: 799
- Middle display: 1-0
- Bottom display: 8888

Below the digital displays are several small icons, including a warning symbol (exclamation mark) and symbols for hydraulic pressure and flow.
