The instrument cluster features a central speedometer with a red needle pointing to approximately 10 km/h. To its left is a tachometer with a red needle at 1000 RPM. Further left are a fuel gauge and a battery/alternator indicator. A digital display at the bottom center shows a temperature of +47°C and 0 km/h. The MANITOU logo is visible on the right side of the cluster. A blue graphic on the right side of the cluster depicts a forklift's mast and carriage.

The control panel consists of several rows of buttons. The top row includes buttons for a forklift icon, a gear icon, a MENU button, a red circular icon, a TEST button, and a yellow triangle warning icon. The second row contains a forklift icon, a gear icon, a yellow triangle icon, a green checkmark icon, a yellow triangle icon, and a red triangle icon. The third row features an ECS button, a battery icon, a sun icon, a sun icon, a yellow triangle icon, and a red triangle icon. The bottom row has a green arrow icon, a green arrow icon, a green arrow icon, a green arrow icon, a yellow triangle icon, and a red triangle icon. A green horizontal bar highlights the bottom row of buttons.
